## Conveyor Design Seminar

### May 17 & 18, 2007; Golden, CO

---

Popular 1.5 day seminar, enables registrants to answer the following questions:

- *Are our plants compact and lightweight?*
- *Have I minimized fabrication man-hours?*
- *How do I minimize plant downtime risk?*
- *Can I reduce design & detailing time?*

#### *Course Agenda:*

- *Introduction to Conveyor Drive Design (ref. CEMA)*
- *Calculating Drive HP Requirements (Rulmeca Program)*
- *Trajectory and Cross Section Plots (Rulmeca Program)*
- *Optimizing Belt Width/Belt Speed Trade-off*
- *Computer Workshop: Designing an Optimal Drive*
- *Pit and Quarry Drive Design Tips: Case Histories*
- *Virtual Tour of Rulmeca Motorized Pulley factories*
- *Avoiding Pitfalls in Drive Application and Maintenance*
- *Troubleshooting Drives & Minimizing Downtime Risk*

#### *Instructors:*

Mike Gawinski has authored numerous bulk handling papers during the past 30 years and served as lecturer and conference coordinator at seminars and universities in North America and Europe. Jay Graham began his Motorized Pulley career more than 13 years ago with responsibilities including, operations manager, applications engineer, service center manager, and assembly technician.

**Registration:** Course addresses the needs of mobile and fixed crushing/screening plants. There is no limit to the number of participants (group discounts available.) Cost is \$195.00 (fee includes meals, printed materials, and software.)

Call Diane Gawinski at 910-794-9294; Email [dgawinski@rulmecacorp.com](mailto:dgawinski@rulmecacorp.com)

## Conveyor Design Seminar

### May 17 & 18, 2007

**Accommodations:** You must make your own hotel reservations.

**Courtyard by Marriott**  
**Golden, CO**

Hotel Rates:  
**\$129.00/night** plus tax  
(Single or double occupancy)

Please make your arrangements with Courtyard by Marriott via telephone (refer to "Rulmeca Meeting") at: 303-271-0776. This group rate is available for May 16-18, 2007 for the Rulmeca School. **Reservations must be made prior to April 16, 2007 to assure your accomodation at the group rate.** Reservations received after this date are subject to availability.

## Rulmeca-Sponsored Outing:

After the school on May 18, Rulmeca will host a visit at Dinosaur Ridge that day. You are invited to participate. Two hour guided outdoor tour will include views of dinosaur bones and footprints dating from the Jurassic period. Space is limited for the event. Please email or fax your school registration early and indicate whether or not you will participate in the outing.

- I will attend the Dinosaur Ridge Outing.
- I will NOT attend the Dinosaur Ridge Outing.
