#### **Western Meeting: Courtyard by Marriott in St Louis, MO**

Lectures (workbooks provided)  
Workshops (laptop computer required)  
"Virtual Factory Tour" & Inspection of Motorized Pulley Components

### Instructors:

**Mike Gawinski** has authored numerous papers on bulk handling topics during the past 30 years and has served as lecturer and conference coordinator at bulk handling seminars and universities in North America and Europe. He has also developed industrial distribution networks and trained distributor sales personnel since 1984.

**Jay Graham** began his Motorized Pulley career more than 13 years ago. Prior to serving as Rulmeca Product Manager his responsibilities included Applications Engineer, Service & Repair Center Manager, and Motorized Pulley Assembly Technician at the Interroll Corporation Motorized Pulley factory in Wilmington, NC.

### Registration:

This course is offered to any authorized Rulmeca Corporation Motorized Pulley distributor. There is no limit to the number of participants each distributor may send.

Call: Diane Gawinski at 910-794-9294.
